Summer Camps

MS/HS Writing Camp: Bob Walters

July 16th – July 20th

9:00 – 12:00

\$175

The Summer Intensive Writing Camp will primarily allow each camper the time and encouragement to pursue individual interests, including short story writing, creative non-fiction, and/or memoir. In addition, campers will learn how to develop characters, write dialogue, create tension, and choose voice. We will spend time writing, reading our manuscripts to one another, and looking at a few secondary sources for advice. On Thursday, we will also take a field trip to downtown Asheville. Each camper should complete at least one writing project during the week. Come join us for a fun, but intense week of writing. Serious writers only, please. An electronic device (laptop or tablet/ipad with keyboard) is absolutely essential!
